NEPTUNE 1 & 2

Industrial hot water pressure washer

- **Smaller Footprint** - The vertical design on NEPTUNE 1 & 2 SPECIAL reduces the machine's footprint considerably, making storage and transportation easy. The NEPTUNE 1 or 2 will fit easily into the corner of a workshop, or a commercial vehicle. It can be wall mounted too.
- **100% Mobility** - Large, sturdy wheels and an ergonomically placed handle enable excellent mobility with good ground clearance making it easy to move the NEPTUNE 1 & 2 from place to place.
- **ERGO 2000 Spray Gun** - Ergonomic handling. Low activation and holding forces on the gun trigger reduce physical strain.
- **Patented Anti-Leak System** - The fuel tank is equipped with an anti-leak system, ensuring that there is no fuel spill when the machine is transported in either a horizontal or vertical position.
- **QuickService** - Maintenance costs are minimised because serviceability is maximised on the Nilfisk-ALTO NEPTUNE. Reduce service time by up to 25%.
- **Easy To Use Control Panel** - The control panel is equipped with large, easy to use control buttons controlling all machine functions. In addition simple warning and service lights indicate items requiring attention.
- **New SPECIAL models** - Get the power and performance of a larger model in a compact vertical machine. Also comes with oil sight as an optional feature.

ECOPOWER BOILER

Nilfisk-ALTO is behind the latest breakthroughs in heating efficiency. The EcoPower boiler offers efficiency well above legislative levels plus -

- Fuel costs reduced by up to 16%
- High heating power
- High water temperature even at full water flow
- Steam stage (NEPTUNE 2 only)

Optional Accessories (see product catalogue for further accessories)

Wall Mounting Kit

Save space and hang the NEPTUNE 1 & 2 to the wall to store it neatly both during and after use with the wall mounting kit.

Anti-Calc Kit

Prevents the calcification of the coil in areas with hard water.

Curved Lance

The curved lance is also perfectly designed for cleaning under wheel arches and undercarriage.

Wash Brush

Allows the mechanical cleaning of domestic and commercial vehicles to remove stubborn dirt and traffic film.
